### GER Reduction

**\*\*NOTE\*\*** This payment method only applies to Regular IFBOA Memberships with dues of \$400 per year; \$150 if already a member of the National Air Transportation Association (NATA).

As a convenience to you, IFBOA is providing an alternative method to pay your membership dues. In an effort to keep expenses low and maintain dues at the previous rate, this option allows members to deduct their annual dues from expected Good Experience Returns (GER) at the end of the year.

\*\*\*\*\*

*Only members in good standing have the right to participate in IFBOA Workers Compensation Group Safety Program underwritten by QBE Aviation, which last December announced a Good Experience Return (GER) in excess of 18%. Don't miss this opportunity — renew today and continue receiving your GER.*
