If you select this option, IFBOA will process your payment on the first of each month, as follows:

Regular IFBOA Membership:

\$400 Annual Dues = Monthly payment of \$35.00 (5% convenience fee is applied)

IFBOA+ Membership: Refer to the chart on the below: _____ FTEs

GER Reduction

****NOTE**** This payment method only applies to Regular IFBOA Memberships with dues of \$400 per year; \$150 if already a member of the National Air Transportation Association (NATA).

As a convenience to you, IFBOA is providing an alternative method to pay your 2018 membership dues. In an effort to keep expenses low and maintain dues at the 2017 rate, this option allows members to deduct their annual dues from expected Good Experience Returns (GER) at the end of the year.
